Establishing a Fund

Funds may be established by donation of cash/equivalent, marketable securities or another approved gift to the Catholic Community Foundation (the Foundation), a section 501(c)(3) public charity.

Ownership of the Fund

The fund is a component fund, owned by the Catholic Community Foundation. All gifts to the Foundation are treated as gifts to a public charity, and generally tax-deductible, subject to legal limitations. We do not provide tax or legal advice and recommend that you discuss your specific situation with your advisor.

The assets in the fund (donations and investment gains) are irrevocably transferred to the Foundation, which has exclusive legal authority and control of the fund. Terms and conditions governing the funds may be modified from time to time as deemed prudent by the Foundation. The Foundation has the right to modify any condition or restriction on the distribution of funds should it determine the restriction or condition is impractical, incapable of fulfillment, unnecessary, in violation of the terms of this policy, in violation with the law, or inconsistent with the charitable needs of the community served.

Modifications to the Fund

In the event the Foundation needs to petition the State Attorney General for modifying the distribution of the gift, the fund being modified will assume all legal fees.

Grants from Field of Interest Funds

By default, grants from Field of Interest Funds must be made to Catholic organizations doing business in Santa Clara County. They must be 501(c)(3) organizations, designated as Catholic in their articles of incorporation and/or listed in the Kennedy Directory.

Grants made from the fund will be based on balances once each year. The Grants Committee of the Catholic Community Foundation will determine all grant recipients and individual grant amounts.

Grants from Designated Funds

Beneficiary(ies) of this fund must be a 501(c)(3) organization located in the United States. Grants are not permitted to private non-operating foundations or non-functionally integrated Type III supporting organizations. Beneficiaries must be organizations whose work is in keeping with Catholic Social Teaching, as defined by the U.S. Conference of Catholic Bishops: www.usccb.org/beliefs-and-teachings/what-we-believe/catholic-social-teaching/

If the programs and/or activities of a beneficiary are no longer in compliance with Catholic social teaching (as defined by the Conference of Catholic Bishops: www.usccb.org/beliefs-and-teachings/what-we-believe/catholic-social-teaching) or the organization is no longer a charitable organization at the time of the grant distribution, the Catholic Community Foundation reserves the right to do one of the following, based on the donor's selection:

- 1. Redistribute the percentage allocated to that beneficiary among the other beneficiaries of this fund.
- 2. Change the beneficiary to an organization best suited to the original intent of the fund.

In the event that multiple beneficiaries merge, the donor intent for all funds and gifts for each of the beneficiaries involved in a merger must be honored in perpetuity, and therefore automatically become obligations of the combined beneficiary.

Grants will be made annually based on balances each year.
