Endowed vs. Non-Endowed

Select if this fund will be endowed or non-endowed.

Endowment

Endowments are permanent funds created to grant to the same institution(s) or area of work *FOREVER*. We invest the principal and grant between 3% – 5% annually. Earnings will go up and down with the market, but exceed the grants over the long term, providing consistent and reliable support.

All endowments are invested in the Foundation’s “Endowment Investment Pool” and grant once annually.

Non-Endowed Fund

Non-endowed funds offer more flexibility in the quantity and amount of the grants. They are not required to grant every year and the granting percentage is not constrained to the 3-5% range (like endowments).

Investment Pool

Please see the Investment Pool Options addendum to read about the three pool options. Ensure that your selections total 100%. See the full descriptions of each pool in the appendix.

Granting Instructions

Designated vs. Field of Interest

Select which type of fund you are creating and fill out the corresponding section below. See Terms and Conditions for more details and restrictions.

Designated Family Fund

A Designated Family Fund is created to support the nonprofit organizations that are close to your heart. You may select one or multiple organizations to which this fund will grant. The beneficiaries must have 501(c)(3) status and cannot be a private foundation.

Copy the “Designated Fund cont.” page as many times as needed to accommodate the number of beneficiaries you are naming.

Field of Interest Family Fund

A Field of Interest Fund grants to multiple organizations for projects that are aligned with a defined purpose.

Skip to the “Field of Interest Fund” section if creating this type of fund.

Designated Fund

Designated Funds are created to support one or multiple nonprofit organizations. The beneficiary must have 501(c)(3) status and cannot be a private foundation

Rank/Alternate

Please indicate the “rank” of each Designated Beneficiary. If there are insufficient funds to grant to all the listed beneficiaries at the time the fund is created or if one or more of the beneficiaries ceases to exist, the ranking of beneficiaries will determine the order in which the Foundation distributes funds pro rata.

You may also designate beneficiaries as “Alternate” in the situation where you want the money reallocated to a similar organization if we cannot grant to the original beneficiary (see the next section).

Reallocation Section

If at any point grants can no longer be made to an organization or program you selected (either because it ceases to exist or materially changes purpose), by default the Foundation will redistribute the percentage allocated to that beneficiary among the other beneficiaries of this fund. For each beneficiary, please select if you would like the Foundation to find a similarly oriented organization/program to which future grants would be sent *instead of* reallocating these funds. If the endowment is only granting to one beneficiary, the Foundation will find a similarly oriented organization/program for future grants. See Terms & Conditions for more details.

Beneficiary Notification Section

You may select when the Foundation reaches out to the beneficiaries to notify them about their inclusion in your Family Fund. **If you choose to delay the initiation of granting**, you may choose one of two options:

1. **Notify the beneficiary immediately** that they are included in this fund. The beneficiary will be notified that granting will not begin immediately and that their inclusion in this fund is revocable. Gift amounts will not be disclosed to the beneficiary.
2. **Wait to notify the beneficiary** until the first grant is made. The beneficiary will not know that they are included in this fund until the first grant is distributed.
 - a. For Endowments:
 - i. If granting begins **during** the donor(s) lifetime(s), the beneficiary will be notified that their inclusion in the endowment is *revocable*.
 - ii. If granting begins **after** the donor(s) lifetime(s), the beneficiary will be notified that their inclusion in the endowment is *irrevocable*.

Establishing a Fund

A fund may be established by donation of cash/equivalent, marketable securities or another approved gift to the Catholic Community Foundation (the Foundation), a section 501(c)(3) public charity.

Ownership of the Fund

The fund is a component fund of the Foundation. All gifts to the Foundation are treated as gifts to a public charity and generally tax-deductible, subject to legal limitations. The Foundation does not provide tax or legal advice and recommends that you discuss your tax situation with your advisor.

The assets in the fund (donations and investment gains) are irrevocably transferred to the Foundation, which has exclusive legal authority and control of the fund. Terms and conditions governing the funds may be modified from time to time as deemed prudent by the Foundation. The Foundation has the right to modify any condition or restriction on the distribution of funds should it determine the restriction or condition is impractical, in violation of the terms of this policy, or inconsistent with the charitable needs of the community served.

Modifications to the Fund

After the donor(s) is/are deceased, the beneficiaries, purpose and percentages cannot be changed.

If the programs and/or activities of a beneficiary are no longer in compliance with Catholic social teaching (as defined by the Conference of Catholic Bishops: www.usccb.org/beliefs-and-teachings/what-we-believe/catholic-social-teaching) or the organization is no longer a charitable organization at the time of the grant distribution, the Catholic Community Foundation reserves the right to do one of the following, based on the donor's selection:

1. Redistribute the percentage allocated to that beneficiary among the other beneficiaries of this fund.
2. Change the beneficiary to an organization best suited to the original intent of the fund.

In the event that multiple beneficiaries merge, the donor's intent for all funds and gifts for each of the beneficiaries involved in a merger must be honored in perpetuity, and therefore automatically become obligations of the combined beneficiary. In the event the Foundation needs to petition the State Attorney General for modifying the endowment, the fund being modified will assume all legal fees.

In the event the Foundation needs to petition the State Attorney General for modifying the distribution of the gift, the fund being modified will assume all legal fees

All investments are made in line with the Investment Policy of the Foundation. All assets will be managed in the selected investment pool. Download our Investment Policy here: catholiccf.org/financials

Grants from a Family Endowment

Designated Beneficiary Grants

Grants made from a Designated Family Endowment will be based on balances once each year. The percentage distribution will be made in accordance with the disbursement policy of the Foundation. The beneficiaries and percentages on file at the time of the grant calculation will be used for that year's grants.

The beneficiaries of a Family Endowment must be 501(c)(3) organizations located in the United States. Grants are not permitted to private non-operating foundations or non-functionally integrated Type III supporting organizations. Beneficiaries must be organizations whose work is in keeping with Catholic Social Teaching, as defined by the U.S. Conference of Catholic Bishops: www.usccb.org/beliefs-and-teachings/what-we-believe/catholic-social-teaching/

NOTIFYING BENEFICIARIES

Organizations named in a Designated Family Endowment will be automatically notified that they are included as a beneficiary of this endowment at the time that the Family Endowment is funded. If the endowment is funded during the donor(s)'s lifetime(s), the donor(s) may request that the Foundation wait until granting begins to notify the beneficiary(ies).

Field of Interest Grants

Field of Interest Family Endowment grants will be made once each year. The amount of the distribution will be calculated in accordance with the disbursement policy of the Foundation. Fully funded Field of Interest Endowments are eligible for grant making after 9 months of investment activity.

The Grants Committee of the Foundation will determine all grant recipients and individual grant amounts.

All grants must be made to Catholic organizations doing business in Santa Clara County. These are all 501(c)(3) organizations, designated as Catholic in their articles of incorporation and/or listed in the Kenedy Directory. Further restrictions about the types of organizations and programs eligible for grants will be determined by the donor in this agreement form and approved by the Foundation.

Beneficiaries must be organizations whose work is in keeping with Catholic Social Teaching, as defined by the U.S. Conference of Catholic Bishops: www.usccb.org/beliefs-and-teachings/what-we-believe/catholic-social-teaching

NOTIFYING BENEFICIARIES

If the fund is established during the donor(s)'s lifetime(s), the donor(s) may request that the Foundation wait until granting begins to notify the beneficiary(ies).
